

Early Semester Survey

I'd prefer the lectures to...

- A. Go slower
- B. Remain the same
- C. Go faster

I'd prefer the lectures to...

- A. Have less structure
- B. Stay about the same
- C. Have more structure

I'd find it useful to have...

- A. More discussion in general
- B. The same amount of discussion
- C. Less discussion in general

I'd find it useful if we spent...

- A. More time
- B. About the same amount of time
- C. Less time

...discussing material in the text.

The homework assignments so far...

- A. Are too few
- B. Are just right
- C. Are too many

What one aspect of practice should the instructor absolutely continue in this course?

With a realistic view as to what can be changed at this point in the semester, what one aspect should the instructor change in this course? How?
