INTERNATIONAL EXCHANGE PROGRAM OVERVIEW

KEY DATES
- March 13: International Exchange info Webinar
- March 27: Application process begins
- April 8: Application deadline
- April 10: Decision and Notifications sent
- April 19: Deadline for students to accept/decline

WHY GO ON EXCHANGE
- Personal and professional growth
- Academic enrichment
- Immersion into a new culture
- Exposure to international business practices

HOW IT WORKS
- Students are enrolled in EW298X International Exchange Program (10 units) and pay regular tuition at UC Berkeley
- You must take the equivalent of a full-time course load for that school (10-12 units)
- You must complete at least one additional semester here at Haas upon your return from the exchange program

CONDITIONS
- You cannot participate in an International Exchange Program to your home country (with exceptions)
- You must have a 3.0 cumulative GPA (minimum) and a student in good standing at the time of application
- You must have completed the EW MBA Core Curriculum

TRADE-OFFS
- Recruiting: Most of the International Exchange Programs occur during the Fall Semester, which limits your ability to participate in On Campus Recruiting
- The grading system may be different at the host University
- Financial Aid – if you are a recipient, contact the Financial Aid Office to discuss the impact

HOW TO DECIDE WHERE TO GO
- Review the Partner Schools at a Glance document
- International Exchange Program’s website
- Partner school’s websites
- BEST RESOURCE: Students who were on exchange in 2017-2018 academic year

APPLICATION PROCESS
- Submit the application ONLINE by Sunday, April 8.

SELECTION PROCESS
- If demand exceeds supply for your choice school, it’s based on seniority; within the same year a lottery will be used to determine placement
- Unsuccessful applicants may choose from schools that are not full
