Spring 2007 Fees for Evening & Weekend Students

Spring 2007 fees have been assessed by the University and are available for viewing on BearFacts (click on “Registration” and then click on “Reg Fee Summary”). The University initially assesses all EW MBA students at 8 units—adjustments will be made to reflect your actual enrollment. The fees for Spring 2007 (for 8 units) are \$15,698, with the health insurance fee waived.

If you waived the health insurance fee during the fall semester, it will be automatically waived in the spring semester. If you didn’t waive the health insurance fee in the fall and would like to do so for the spring, please contact the Student Health Insurance Office at (510) 642-5700, or complete the waiver form online at <https://app.uhs.berkeley.edu/waivers/waiverform.asp>.

E-Billing Statements will be generated around December 26th; you will receive an email notifying you that your fee statement is ready for viewing. Payment of spring fees is due by January 15th, 2007. As a reminder, you have the option of paying your bill in full or electing the Deferred Payment Plan (DPP), wherein your fees are paid in five equal monthly installments (due the 15th of each month—beginning with January 15th and ending with May 15th). There is a \$40 participation fee for utilizing the DPP, and it is assessed for each semester that you use the DPP.

Best of luck to all during finals and best wishes for a great holiday season.

Sincerely,

Haas Office of Financial Aid
