Changes to Spring 2007 Loan Disbursements

Due to the timing of the spring disbursement, supplemental loans (Grad PLUS and private) will credit your CARS account by the fee deadline, but might not be reflected on your e-billing statement that you receive towards the end of December (Grad PLUS loan disbursements should be reflected in the statements, private loans will not; private loans are set to disburse to the University on January 2nd).

If you have now determined that you no longer require the full amount of the spring disbursement of your supplemental loan—or would like the disbursement cancelled altogether—you must notify the Haas Office of Financial Aid via e-mail no later than Wednesday, December 20th. This will ensure enough time to update your record, thereby eliminating any unnecessary interest charges (This is especially important in the case of private loans as we will need to make the necessary changes with the lender prior to the office closing on December 22nd).

Best of luck to all during finals and best wishes for a great holiday season.

Sincerely,

Haas Office of Financial Aid
