### 2007-08 FT Costs

- These figures cover the nine-month academic year (fall 2007-spring 2008). These costs were the official student budget used to calculate financial aid eligibility for US citizens and US permanent residents.
- The mandatory Student Health Insurance Plan (SHIP) may have been waived upon submission of proof of a comparable health insurance policy.
- Room and board costs were on the conservative side and assumed careful budgeting as well as sharing living quarters with at least one other person. Please be aware that your expenses may have been higher depending on your personal lifestyle.
