

[Global Water Challenge](#) is creating a global movement of transformational change around water and sanitation. Access to clean water and sanitation provides dignity, safety and security and leads to healthier, longer and more productive lives, and breaks the cycle of poverty.

Join us in creating a global movement to bring clean water and safe sanitation to the billions of people who lack these most basic necessities. Volunteer at the Outside Lands Music and Arts Festival in San Francisco where we will talk to concert-goers about the water and sanitation crisis.

GWC will provide one ticket for volunteers. We will provide training, talking points, ways of engagement, and basic guidelines. That, and a free t-shirt!

Dates: August 28th-30th

Where: San Francisco

What: a 3-day music festival with a captive audience

Why: To engage a new audience on water and sanitation issues
